Subject: RE: AECOM-ARTT-Metro Dry Run for Public Hearing Meetings
Attachments: Dec DEIR Public Hearing Logistics Plan1.docx

Hello all,

Please see an updated LA ART DEIR Public Hearing Logistics Plan attached, for your information. Note that the most significant modification from the October DEIR Workshops is that we will be taking public comments at the December/January hearings.

Purpose of Hearings: Provide information about the CEQA process, the project, the key analyses and conclusions of the Draft EIR, and receive public comments. At the In-Person Open House, the team will answer questions on CEQA process, the project, and the key analyses and conclusions of the Draft EIR.

We will review key sections of the Logistics Plan during the Dry Run scheduled for 11/11:30 this Wednesday, 12/7. Note: If you are only staffing the In-Person Public Hearing you should have received an invite to join at 11:30; those that are staffing both virtual and in-person should have an invite for 11 am.

Thank you,
Jessica
