Subject: Packages and price list-

Hi,

I was going through your website & I personally see a lot of potential in your website & business.

I would like to send you a SEO package with prices showing you a few things to greatly improve these search results for you. These things are not difficult, and my report will be very specific.

If interested. May I send you a quote/package/proposal.?

Looking forward to hearing from you.

Thanks in advance!
