**Subject:** Supply contract

Hello,

My name is Dr. Tomas Kaplan. I'm from Czech Republic but I live and work as the Research and Procurement Pharmacist in a pharmaceutical company here in the UK. I am writing to extend a business request for you to stand as a Partner or individual person in an oil extract supply contract.

I am assuring you that good profits will be earned from the commission that will be paid to middle-persons. I will provide exclusive details to you upon your acceptance.

I await your positive response.

Sincerely,

Dr. Tomas Kaplan
